

interRel Press Announces the Release of “Look Smarter Than You Are With Hyperion Planning: End User's Guide” Premiering at Oracle OpenWorld 2009

Oracle OpenWorld, SAN FRANCISCO, CA, October 11, 2009 - interRel Consulting is proud to announce the release of the very first book on Oracle Hyperion Planning, [Look Smarter Than You Are with Oracle Hyperion Planning: An End User's Guide](#) as part of their #1 selling Hyperion book series, *Look Smarter Than You Are With Hyperion*. The book will be officially unveiled at the Oracle OpenWorld 2009 conference in San Francisco, CA on Monday, October 12, 2009. Also available to purchase during the conference will be the first books ever released on the newest Oracle Fusion Edition 11 version, [Look Smarter Than You Are with Essbase 11: An Administrator's Guide](#) and [Look Smarter Than You Are With Smart View and Essbase 11: An End User's Guide](#).

After countless requests from our loyal reading public and clients who seek interRel's unquestionable expertise in the Hyperion arena, we have developed the first ever book available on Oracle Hyperion Planning. As the market leading budgeting and forecasting solution, Oracle Hyperion Planning provides powerful planning capabilities over the web and in Microsoft Excel. This book is the key to unlocking the world of Planning from an end user perspective, guiding you through the ins and outs of Planning on your quest to a better budgeting and forecasting process, which in turn leads to better enterprise performance.

Offering our loyal reading public the opportunity to stay ahead of the curve, the content spans an introduction to Oracle Hyperion Planning and how to connect, how to plan and build models in Microsoft Excel with Smart View, all of the Planning end user features like supporting detail, cell text, document attachments, adjusting, grid spreader, performing ad hoc analysis and creating reports using Smart Slices and Report Designer from Planning data forms, steps to review and approve budgets through workflow process management and more. This book is not only for new users to Planning but also useful for current users who would like to broaden their knowledge of the application and learn key optimization tips and tricks used by our consultants.

Where to Purchase

Currently, the only place to purchase these books is directly through our publisher at [Lulu.com](#). If you are attending the [2009 Oracle OpenWorld](#) conference, the books will also be available for sale at our booth located in the Hyperion Pavilion at The Intercontinental Hotel San Francisco.

Edward Roske, Oracle ACE Director & co-author, will be hosting a book signing at the [2009 Oracle OpenWorld](#) conference at the OpenWorld Bookstore in Moscone West from 1:30-2:00PM on Wednesday, October 14th.
