

# interRel Press Announces the Release of “Look Smarter Than You Are With Oracle Hyperion Planning: An Administrator’s Guide” Premiering at OAUG Collaborate 2010

**Collaborate 2010, LAS VEGAS, NV April 19, 2010** - interRel Consulting is proud to announce the release of the very first book on Oracle Hyperion Planning for Administrators, [Look Smarter Than You Are with Oracle Hyperion Planning: An Administrator's Guide](#) as part of their #1 selling Hyperion book series, *Look Smarter Than You Are With Hyperion*. The book will be officially unveiled at the 2010 Collaborate conference in Las Vegas, NV on Monday, April 19, 2010. This book will be available to purchase at the Collaborate bookstore during the conference and on interRel's website at [www.interrel.com](http://www.interrel.com). Our other best-selling books, [Look Smarter Than You Are with Oracle Hyperion Planning: An End User's Guide](#), [Look Smarter Than You Are with Essbase 11: An Administrator's Guide](#) and [Look Smarter Than You Are With Smart View and Essbase 11: An End User's Guide](#) will also be available for purchase at the Collaborate bookstore and our website.

After countless requests from our loyal reading public and clients who seek interRel's unquestionable expertise in the Hyperion arena, we have completed the first ever book available on Oracle Hyperion Planning for Administrators. In October of 2009, at the Oracle OpenWorld conference, interRel released the first ever book on Oracle Hyperion Planning specific for end users. As the market leading budgeting and forecasting solution, Oracle Hyperion Planning provides powerful planning capabilities over the web and in Microsoft Excel. This book is your key to unlocking the world of Planning from an administrator perspective, guiding you through the ins and outs of Planning on your quest for improved budgeting and forecasting, which in turn leads to better enterprise performance.

Offering our loyal reading public the opportunity to stay ahead of the curve, the content spans an introduction to Oracle Hyperion Planning and how to connect, how to plan over the web, how to build a Planning application from start to finish, the steps to manage and administer Planning applications, tips, tricks and design best practices for Planning and it's underlying Essbase databases. This book is your key to unlocking the world of Planning from an administrator perspective, guiding you through the ins and outs of Planning on your quest for improved budgeting and forecasting.

## **Where to Purchase**

Currently, the only place to purchase these books is directly through our publisher at [Lulu.com](http://Lulu.com). If you are attending the [Collaborate 2010](#) conference, the books will be available for sale at the Collaborate bookstore. Come meet the authors of our best-selling book series, Edward Roske and Tracy McMullen, at the Collaborate bookstore signing on Tuesday, April 20, 2010 from 11:30-12:00pm.

## **About interRel Consulting**

Back-to-Back winners of the Oracle EPM & BI Partner of the Year, interRel Consulting develops Oracle EPM and Hyperion solutions on time, under budget and with total attention to quality. interRel provides implementation consulting, on-site & classroom training, web-based & phone support, and infrastructure consulting to clients ranging from the Global 500 to mid-size companies as well. Home to two Oracle ACE Directors and an Oracle ACE, interRel has published several books on Hyperion under the “Look Smarter Than You Are” series. interRel has also been cited by Inc. Magazine in 2008 and 2009 as being one of the fastest growing companies in America. For more information, please visit [www.interrel.com](http://www.interrel.com).

## **About Collaborate 2010**

For the fifth consecutive year, the Independent Oracle Users Group (IOUG), the Oracle Applications Users Group (OAUG) and Quest International Users Group (Quest) join forces to host the leading technology and applications forum for the Oracle community. COLLABORATE 10 is designed to help users of the full family of Oracle business applications and database technologies gain greater value from their Oracle investments. Created by and for users, COLLABORATE 10 offers an expert blend of customer-to-customer

interaction and insights from technology visionaries and Oracle strategists. Representation at COLLABORATE 10 will include Oracle users, solution providers, consultants, developers and representatives from Oracle Corporation.
